

Hyperion 3D-S

Part No. 350843

DATASHEET

Slave Sensor

For further details see manual/brochure

Additional Sensor head for 2 way detection

Mechanical data

Dimensions unit only	260 x 110 x 55mm
with weather shield	295 x 170 x 115mm
Material (housing)	Aluminum, PC ABS GF20
color	black
Cable	12x 0.25mm ²
Weight	830g

Electrical data

Supply voltage	24VDC +-15% (from ID-M)
Power consumption	5W
Outputs	Serial to ID-M

Features

Technology	Stereoscopy
Display	Highly visible multicolor LED

Ambient conditions

Protection category	IP65
Operating temperature	-20°C to +60°C
Rel. air humidity	< 95%, non-condensing

Box contents

Sensor, mounting bracket, DoC, instruction manual (DE, EN, FR, IT, SV, DA, NO, PL)
